Crime Alert – Police Activity near Campus

On August 7th 2012 at about 3:30pm there was a large volume of police activity in the area of Blaine St. and Canyon Crest Dr. A man was approached near Blaine St. and Rustin Ave. by two male subjects who took his iPad and ran into the nearby apartment complexes. Though the victim was unaffiliated with UC Riverside, UCPD officers responded to assist City of Riverside PD officers with establishing a perimeter of the neighborhood. Officers from both agencies coordinated with each other as they chased the suspects on foot through several complexes. Despite police efforts, the suspects evaded arrest.

This incident again highlights the need to be diligent about safety and exercise caution with the open display of computer devices. The City of Riverside Police Department is investigating this crime.

*It is the duty of the University of California Police Department to warn of possible dangerous conditions on or near campus.
