Crime Alert: Residential Burglaries on and off Campus during the Thanksgiving Weekend

Two residential burglaries were reported to UCPD that occurred sometime during the Thanksgiving holiday weekend. Both burglaries occurred at the University Plaza apartments at 1020 Linden St. which is a UC Riverside Housing complex. In both incidents, the residents were not home during the time the break-ins occurred and windows were forced open to gain entry. Two other off-campus apartments on Blaine St. were broken into where windows were forced open during the same time period.

UCPD detectives will be working with detectives from the City of Riverside Police Department to analyze and compare the evidence in these investigations. These incidents serve as a reminder to make sure all windows and doors are securely locked in your residence, especially before leaving for extended times during the holidays. If you return to your residence this week to find evidence of a theft, please report it to the police immediately.
