

## **UCPD Crime Alert: Robbery Occurred Near Campus**

On 02/23/16 at about 11:45 P.M., two women were on the north east corner of University and Iowa Avenues. One woman was walking as the other was riding her hoverboard. A black sedan (possible Toyota) drove next to them and the front passenger, while seated inside the vehicle, asked about the hoverboard. The front passenger then pointed a black handgun at the victim and demanded her hoverboard. She handed over the board and the suspects drove away on University Avenue towards the I-215 Freeway.

UCPD and RPD Officers responded and checked the area for the suspect vehicle, but were not able to find it. The Riverside Police Department is investigating this crime.

The suspects were described only as two Black males, the driver and passenger in the black sedan.

Please be careful when walking late at night and consider that hoverboards are high value items that may be targeted by criminals.
