

UCPD Crime Alert: Sexual Assault Occurred at UCR Apartment Complex

On 2/27/17, at 9:52 a.m., a woman came to the UCPD station to report that she was sexually assaulted by a recent acquaintance inside an apartment at the Bannockburn Apartments the night before. The woman met the suspect using a social networking cell phone application. UCPD is investigating this crime and we will provide appropriate updates to the community as they are available.

Given their prevalence, UCPD suggests the following strategies when using these types of social applications:

- Meet new people in a public place.
- When possible, meet in a group setting.
- Let a trusted friend know where you are going and when you expect to return.
- Do not provide personal details to unknown people.

UCPD firmly believes that no one is ever at fault or responsible for experiencing sexual and or relationship violence. We recognize that only those who commit these crimes are responsible for such conduct. UCPD Crime Alerts, safety bulletins and safety strategies are used to encourage healthy and safe encounters as well as mitigate the risk of experiencing or perpetrating sexual and or relationship violence as outlined by best practices in violence prevention models.
