

# **Timely Warning: Suspicious Circumstances**

UCPD is investigating several reports of a man behaving inappropriately towards women around the campus residence halls, in particular Glen Mor. In both reports UCPD has received, the victim stated that the man-referring to himself as “Juan”-walked along with the victim, making small talk. After some time, he attempted to kiss the victim without their consent. Neither victim knew the suspect.

The suspect in the most recent incident was described as follows:

Male Hispanic, about 20 to 25 years old. He was last reported wearing a grey t-shirt, dark gym shorts and tennis shoes. He was also wearing a pair of earbuds.

UCPD is investigating both of these incidents and will release more information as it is appropriate to do so. If you or anyone you know have experience similar behavior, please report it to the UC Riverside Police Department at 951-827-5222 or to [ucpdgeneralmail@ucr.edu](mailto:ucpdgeneralmail@ucr.edu).

The University of California Riverside feels that no student, staff or faculty should ever be forced to walk alone. You may request an escort at any time of day by calling UCPD dispatch at 951-827-5222 or the Campus Escort Service at 951-827-3772.
