Case Update: Lewd Acts

On 07/22/19, at about 3:00 p.m., UCPD responded to a call of an indecent exposure at Bourns Hall, 2nd floor. The suspect was described as a black male of similar physical description as prior incidents of a similar nature. A UCPD Sergeant on foot patrol at the Arts Building spotted and contacted the suspect. During their conversation, the suspect lied about his identity and then ran from the sergeant. Responding UCPD officers pursued the suspect and took him into custody near the UCR softball bleacher.

The suspect was booked into jail for obstructing a law enforcement officer (misdemeanor). UCPD will continue its investigation and file additional charges with the District Attorney's Office when appropriate.
