UC Riverside Police Department

Military Equipment Annual Report for 2026

Introduction

UC Riverside Police Department Policy 709 "Military Equipment" requires an annual report be submitted to the Regents and posted on the police department website for as long as the equipment is in use. This annual report is required to contain, at a minimum, the following information for the immediately preceding calendar year for each type of military equipment as classified in Government Code §7072:

1. A summary of how the military equipment was used and the purpose of its use
2. A summary of complaints or concerns received by the campus or department concerning military equipment
3. The results of any internal audits, any information about violations of the military equipment policy, and actions taken in response to those violations.
4. The total annual cost of each type of military equipment, including acquisition, personnel training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source the funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report
5. The quantity possessed for each type of military equipment
6. If the law enforcement agency intends to acquire additional military equipment in the next year and the quantity sought for type of military equipment

Section 1: Summary of How the Department Utilized its Military Equipment

During 2025, the department had a single deployment of the FN Herstal 303 launcher. This occurred during a mutual aid response by UCRPD officers to the UC Berkeley campus on November 10, 2025. Outside of a training environment, there were no other deployments of the department's military equipment as defined in Government Code §7072.

Section 2: Summary of Complaints or Concerns Received by the Campus or Department concerning Military Equipment

The department did not receive any complaints from the community members during the annual public forum.

Section 3: The results of any internal audits, any information about violations of the military equipment policy, and actions taken in response to those violations

The campus did not receive any information or indication of a violation of the Military Equipment policy during 2025. The department did not identify any issues related to policy, training, or use of the designated equipment.

Section 4: Total annual cost of possessing, maintaining, and acquiring military equipment

All costs related to the equipment's normal inspection and training are funded via the department's budgeted general funds.

Section 5: The quantity possessed for each type of military equipment

Current stock of military equipment during the reporting period is shown in the table below. Note that omitted sections (sections 2-9, 12) are not applicable to the UC Riverside Police Department as the department does not possess equipment in those categories.

Categories and Descriptions	UCR
Category 1 - Unmanned, remote Piloted, Powered Aerial or Ground Vehicles	
Unmanned Aerial Vehicle (drone)	*2*

Categories and Descriptions	UCR
Category 10 - Specialized Firearms and ammunition of less than .50 caliber	
Winchester Q3131k 5.56, 55 grain Full Metal Jacket target/practice ammunition	*12,000*
Winchester RA556B 5.56, 64 grain Bonded Solid Base	*3,000*
Colt M4 Carbine short barrel AR-15 style rifle	*7*
Colt LE6920 Carbine AR-15	*10*
Category 13 - Taser Shockwave, Microwave Weapons, Water Cannons, and Long-Range Acoustic Devices	
Long Range Acoustic Device (LRAD)	*1*
Category 14 - Kinetic Energy Weapons and Munitions

Def-Tec/LMT 40mm Launcher (Model #1425)	*7*
Def-Tec 40mm eXact Impact Munition (Model #6325)	*80*

In preparing this report, the department rangemaster and armorer reviewed the department's inventory of military equipment and inspected the equipment itself. The inventory was found to be accurate in its description and count of equipment. The equipment was found to be in serviceable to excellent condition.

Section 6: If the law enforcement agency intends to acquire additional military equipment in the next year and the quantity sought for each type of military equipment.

The UC Riverside Police Department has requested to purchase two unmanned aerial vehicles/systems, Skydio X10 VT3000-Z to assist with patrol operations and special event safety.
