

# Report a Scooter or Bike Theft

## How Do I Report?

There are two ways to report a stolen bike or scooter:

---

### 1. Call our non-emergency line:

**(951) 827-5222**

An officer will ask for the following details:

- Color
- Make and model
- Serial number (if known)

If your scooter or bike was taken from a bike rack, please locate the rack on the **campus bike rack map** and share the location with the officer so it can be included in your police report.

[Click](#) on  in the map to view reference photos of each location.

---

### 2. Report online:

**[Submit Online Report](#)**

---

## Why Reporting Matters

1. If your bike or scooter was previously registered, officers may be able to return it to you if it's recovered.

---

 **Tip:** Haven't registered your bike or scooter yet? [Register Now](#)
